

Courage and Faith

Lyrics

Words and Music by Mark Graham

CHORUS:

Courage and faith, courage and faith,
God will give you courage and faith,
Living God's way is the best for you
But troubles will come, and when they do
Ask for courage and faith, courage and faith,
All God's children need courage and faith
Stand with all your might
Do the thing that's right
And Courage and Faith will come to you.

Verse 1:

Think about David, standing all alone
God gave him strength and he guided the stone.
Think about Daniel in the lions' den.
God gave him courage and brought him out again.

CHORUS

Verse 2:

Think about Noah, building a boat
God saved his family and kept them all afloat
Think of Shadrach and Meshach and Abednego
They stood up to the king, and he had to let them go.

CHORUS

Verse 3:

Think about Deborah, leading the host
God gave her courage when she needed it the most
Think about Mary, lovely and young
God gave her faith to be the mother of his son.

CHORUS

Stand with all your might,
Do the thing that's right,
And courage and faith will come to you.
