

# Dreaming of the Kingdom

## Lyrics

I'm dreaming of the Kingdom, God's great Kingdom,  
All the things in store for you and me;  
Dreaming of the Kingdom,  
God's great Kingdom,  
Here is how I picture it will be.

I can wrestle with a wolf, I can ride bears around,  
I can paddle with a porpoise 'till the sun goes down.  
I can dance with the deer, I can swim with the swans,  
When I'm sleepy there's a lion I can lean upon.

(Chorus)

Dreaming of the Kingdom, God's great Kingdom,  
All the things in store for you and me;  
Dreaming of the Kingdom,  
God's great Kingdom,  
Here is how I picture it will be.

I can meet famous men out of history,  
I can hear Noah tell of life out on the sea,  
I can help Peter fish, I can hear David sing,  
I can learn from Jesus Christ just how to be a king.

(Chorus)

Dreaming of the Kingdom, God's great Kingdom,  
All the things in store for you and me;  
Dreaming of the Kingdom,  
God's great Kingdom,  
Here is how I picture it will be.

And the Greatest of all the things there will be,  
Is that people will finally live in harmony;  
No more sickness or war, only good things in store,  
And that's the way that life will be forever ever more.

Dreaming of the Kingdom, God's great Kingdom,  
all the things in store for me and my friends;  
Dreaming of the Kingdom God's great Kingdom,  
happiness that never ever ends.
