

# God Is Love

## Lyrics

*By Mark Graham*

(chorus)

God is love always love,  
His way living is caring and giving,  
Oh, faith and hope and love abide,  
but the greatest of these is love.

love is patient love is kind,  
love doesn't have to have its own way,  
love isn't rude and love isn't proud,  
love is peaceful and we say...

(chorus)

God is love endless love,  
His way of living is caring and giving,  
Oh, faith and hope and love abide,  
but the greatest of these is love.

Love delights in what is right,  
Love doesn't like the things that are wrong,

Love will believe and love will hope,  
Love will last your whole life long.

(chorus)

God is love always love,  
His way living is caring and giving,  
Oh, faith and hope and love abide,  
but the greatest of these is love.

God is love always love,  
His way living is caring and giving,  
Oh, faith and hope and love abide,  
but the greatest of these...  
but the greatest of these...  
but the greatest of these...  
but the greatest of these is love!

YEAH!
