

There's nothing that God can't do. Ooo!  
There's nothing that God can't know. Whoa!  
He made this great world all around us. Sure is nice.  
He designed you from your head to your toe! I like toes!  
He was there in the very beginning. That's old!  
And He'll be around without an end  
He constantly brings us wonderful things  
And he wants us to be His friends. I like that!  
[*dialogue*] So Jelly, are you ready with more questions? Um, I have a lot... It's OK –  
Fire away!

Can God hear everything? Like when all of us sing?  
He can hear everything that He wants to  
Can He see everywhere? If I'm under a chair?  
He sees everything that He needs to.  
Do we know what He looks like?  
Well, kind of like us, oh but everything is perfect and bright  
Does He care about me?  
He knows the hairs on your head  
He gives us our daily bread  
And when it's all said,

There's nothing that God can't do. It's true!  
There's nothing that God can't know. It's so!  
He wants us to live the way He does  
So He shows us the right way to go  
If we believe him and trust and obey Him  
Like a father, he'll care for us all  
He knows all that you do, He'll watch over you  
He sees every sparrow that falls. Poor sparrow!  
I hope he's OK!  
I have more questions! I have more questions! Well, go ahead!

Does He have a favorite color? I really like red!  
Red is one of God's favorite colors! Are you for real?  
Does He have a favorite food? Bananas, I hope!  
He MADE bananas! They're a wonderful thing!  
Does He have a favorite animal? Like bottlenose dolphins?  
He INVENTED dolphins! Aren't they great?  
Does He have a favorite person? I was just wondering.  
Well, Jelly, now it REALLY gets int'resting

Because everyone who draws near him  
He wants in His family  
Every woman and man, it's all part of the plan  
You mean we're his kids? You could say that. I did!  
And some day we'll be in His kingdom. Me too?  
Yep, and everything good will come true. Wow really?  
Until that day, there's so much we could say,  
But Jelly, I'm telling you  
There's nothing that God doesn't know  
There's no one that God doesn't love  
And there's nothing  
Nothing!  
Nothing that God can't do
