

The Sabbath Day

Lyrics

Words and Music by Mark Graham

Hear the words of our Father in heaven
Count one-two-three-four-five-six-seven,
And that is the

Sabbath day, Sabbath day
God made the Sabbath day
Our lives are blest
By His day of rest
Life goes by quickly
It's easy to lose the way
And that's why we say
Remember the Sabbath day
We remember in six days our God made the earth
On the seventh He rested from all He had done
And we think of the day when Lord Jesus returns
And the whole world at last will have rest when he comes

Oh, oh, oh...

Sabbath day, Sabbath day
Wonderful Sabbath day
Our lives are blest
With this day of rest
Life goes by quickly
It's easy to lose the way
And that's why we say
Remember the Sabbath day

That's why we say
Remember
The Sabbath Day
